## Presidents Report

As my term of office on this board concludes at this AGM, I have the honour of presenting my first and last President's report.

This year has been a challenging one for Bowls Tasmania, with the absence of our CEO on maternity leave for the past six months. It has certainly shown us how much we rely on Rebecca Van Asch's knowledge and know-how when she is at work. I am very grateful that she has continued to make herself available to answer questions when needed. Thank you Bec.

Before Bec took her maternity leave she had further successes on the green, following her Commonwealth Games success of the previous season. Bec won the Australian Open Women's Singles title and the Australian Indoor Women's title, before arguably her greatest success of the year, the birth of the beautiful Alexis May (Lexi). Many congratulations Bec.

Only a few short weeks after Lexi's birth Bec went on to win a bronze medal at the World Cup, a remarkable effort. Bec, you have made Tasmania very proud and we are lucky to have you with us at Bowls Tasmania. We eagerly await your return to work.

There were other successes on the green during the year. Our Juniors won their test match against Victoria in July and Jorja Maughan and Lauren Banks came home with a gold medal from the Junior National Championships. Lee Schraner won the men's Australian Champion of Champions competition, which was held very successfully at Kingborough Bowls Club, and Lauren Banks was runner-up in the women's competition. Lee also won bronze at the World Champion of Champions event, and he and Lyn Triffit won silver medals in the Australian Championships Singles. Rick Ormerod and Alan Ryman won gold at the Multi-Disability Nationals event.

After a somewhat disappointing performance against Victoria in the French Holbrook Test series in December, though the men's side put up a valiant effort narrowly losing the final deciding test, both Open sides bounced back with emphatic victories against ACT in January. The men won 5-0 and the women 4-1. At the Sides Championships in Ettalong NSW in April, the men finished fifth on the ladder, while the women finished fourth, a good result for them which included a victory against Victoria. Three juniors Josh Walker-Davis, who won the men's player of the series medal, Lauren Banks and Jorja Maughan, were included in the Open sides, which bodes well for the future.

There is now 18 months before the next Sides Championships, which will be part of The Nationals, a new concept from Bowls Australia whereby the Junior Nationals, Open Sides, Senior Sides, Australian Championships and Champion of Champions event, and possibly the Multi-Disability Nationals, will all be included in a two-week competition. This will present challenges for Bowls Tasmania, especially coming right at the start of our season, but work is already underway to re-vamp our High Performance Calendar to give our sides the best possible chance of success.

## PRESIDENTS REPORT

Bowls Tasmania produced its new Strategic Plan this year and looks forward to working to achieve the KPIs therein. It is very much based on the Bowls Australia Strategic Plan, in order to achieve a whole of sport approach.

Another attempt was made this year to achieve one set of Conditions of Play to cover pennant for the whole state. However after discussion between the three regions it was decided that it would be pointless to disrupt a system that works perfectly well for 18 weeks of the year, in order to satisfy the demands of the 6% of players who make it through to the State Pennant finals. Open Gender pennant on Saturday has now been embraced by all three regions.

We are very grateful to our partners, especially the contribution and support of the Tasmanian Government and Community Sport and Recreation Tasmania. We also acknowledge and thank WIN TV, Henselite, Aceit, BCIB, ANZ and City Club.

The new website is up and running and the new database has just been activated. Clubs need to be reminded to ensure that all information about their members is correct, particularly contact details. I should like to thank David Genford for his help in posting information on the website for us during the year and for writing some wonderful articles.

I should like to thank the board for their support this year, particularly Bob Clifton our Treasurer, who has been the source of much sage advice, as well as continuing to do such a great job with the finances. Sadly Nick Lee resigned from the board, due to medical reasons, but we welcomed back Les Harrison, to fill the vacancy created when he previously resigned. Les will resume his portfolio of Officials and Umpires, as well as taking the Bowlers with a Disability and Bowlers with a Bowling Arm under his wing.

I also thank Warren Groves, who has helped enormously with the organisation of events, especially during Rebecca's absence, and Kim Saunders, who has helped out in the office and been a great support for our administrative assistant Nadene Graham. Nadene has been on a very steep learning curve, having no previous knowledge of bowls, but has been willing to learn and I thank you for your efforts and your cheerful patience Nadene.

I wish my successor every good fortune. There are challenges ahead with the new set-up of the Nationals and there are KPIs to achieve, as set out in our Strategic Plan, but I am sure that Rebecca's return to work will help ease your path.

Thank you

**Sue Ross**

**President**

## Treasurers Report

A Surplus of \$2,911 was achieved for the year. The result was slightly under our projected surplus but after achieving our Financial Plan.

Revenue was consistent with last year but fell short of our budgeted amount in Capitation Fees \$8,000 and Sponsorship \$6,000 with these shortfalls being offset by savings in other areas.

The continued support from Sport & Recreation is noted and much appreciated and I thank Rebecca & Sue for their efforts in once again securing this grant.

This result has been achieved with a lot of effort from CEO Rebecca and Nadene who has filled in while Rebecca is on maternity leave and thanks go to our sponsors for their support.

The Board has considered our program for the coming year and factored in rising costs, particularly with representative teams, and other financial risks and recommends that the current Capitation Fees be increased for the 2019 /20 year by \$2 for both Adults & Juniors to \$52 and \$37 respectively.

In closing and on behalf of the Board, I would like to pay tribute to Sue Ross for her service on the Board and in particular for her efforts as President over the last 12 months in which she not only performed the usual duties associated with the role but has been very involved in assisting Nadene run the office during Rebecca's leave.

# **Notes to the Financial Statements**

**31 March 2019**

## **1 Accounting Policies**

These financial statements are a special purpose financial report prepared in order to satisfy the accounts preparation requirements of the Associations Incorporation Act (Tasmania) 1964.

The board of directors have determined that Bowls Tasmania Inc is not a reporting entity and therefore there is no need to apply Australian Accounting Standards or other mandatory professional reporting requirements in the preparation and presentation of the financial statements.

The financial report has been prepared on an accruals basis and is based on historical costs and do not take into account changing money values or, except where specifically stated, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

The following specific accounting policies, which are consistent with previous periods unless otherwise stated, have been adopted in the preparation of this financial report:

### **(a) Property, Plant & Equipment**

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets including buildings and capitalised leased assets, is depreciated on a straight-line basis over their useful lives commencing from the time the asset is held ready for use.

### **(b) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

### **(c) Revenue Recognition**

Grant revenue is recognised within the operating statement on a progressive basis over the lifetime of the grant.

# Director's Declaration

In the opinion of the Board of Directors, the financial report:

- (a) presents fairly the financial position of Bowls Tasmania Inc as at 31 March 2019 and its performance for the year ended on that date in accordance with the accounting policies outlined in Note 1 to the financial statements;
- (b) satisfies the requirements of the Associations Incorporation Act (Tasmania) 1964 to prepare accounts; and
- (c) at the date of this statement, there are reasonable grounds to believe that Bowls Tasmania Inc will be able to pay its debts as and when they fall due.

Signed: 

Position: TREASURER

Date: 17 MAY 2019

## **Bowls Tasmania Inc**

### **Independent Auditor's Report to the Members of Bowls Tasmania Inc**

#### **Opinion**

We have audited the financial report of Bowls Tasmania Inc. (the Association), which comprises the statement of financial position as at 31 March 2019, the operating statement for the year then ended, the notes to the financial statements, and the director's declaration.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Association as at 31 March 2019 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter – Basis of Accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Association to meet the requirements of the *Associations Incorporation Act (Tasmania) 1964*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

#### **Responsibilities of the Board for the Financial Report**

The board is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as the board determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the board is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the board either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, the auditor exercises professional judgement and maintains professional scepticism throughout the audit. The auditor also:

- Identifies and assesses the risks of material misstatement of the financial report, whether due to fraud or error, designs and performs audit procedures responsive to those risks, and obtains audit evidence that is sufficient and appropriate to provide a basis for the auditor's opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtains an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluates the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by those charged with governance.
- Concludes on the appropriateness of those charged with governance's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If the auditor concludes that a material uncertainty exists, the auditor is required to draw attention in the auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify the auditor's opinion. The auditor's conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluates the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation. The auditor communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that the auditor identifies during the audit.
