### Regional Consultative Committee

The Regional Consultative Committee (RCC) consists of two representatives from each Regional Authority (usually the President and Vice-President) and each Director (or such number of Directors as determined to be appropriate by the Board).

The RCC meets regularly and provides feedback to the Board and suggest alternatives to proposals developed by the Board. The RCC may also submit proposals for consideration by the Board. The RCC is not a decision-making body. RCC members are required to report to their Regional Authority regarding the discussion and debate at each meeting.
