--------------------	---

1. OBJECTIVES

Regional authorities are reminded of the clear objectives of the Statewide Challenge (SWC), and these should be read in conjunction with the following conditions of play:

- Create a real regional challenge event that creates interest across the state for all age groups Juniors (U/18), Open and Seniors (Over 60).
- Provide an overall region champion across all disciplines.
- Enable Bowls Tasmania State teams to play against the regional teams in a four-team competition to enable State teams to play together in a highly competitive environment.
- Provide a pathway for junior players from U/18s through to open grades.
- Use SWC as a key state representative selection tool.
- Use SWC to be driver for regions to develop and enhance current player development and involvement.

2. ENTRY CONDITIONS

Bowls Tasmania and Regional Authorities will select competitors to participate in the Statewide Challenge from their affiliated members. All competitors must:

- be affiliated with the respective regions and registered with Bowls Tasmania
- not be currently under disqualification or suspension by their regional authority or their state authority.

3 SELECTION GUIDELINES

a AGE ELIGIBILITY

As the Statewide Challenge is a true region versus region competition it is also a major tool used for selecting our state representative sides. As a condition of entry, to compete in the respective divisions of the Statewide Challenge, competitors must qualify under the following age guidelines and selectors should acknowledge state squad members:

SENIORS

- All players must be eligible for Bowls Australia Over 60's Senior Sides National Championship the following October. Therefore, players need to be over 60 as of the 1st day of competition of the BA national carnival (bowlers may be 59 years old throughout the SWC, if they turn 60 before 1st day of competition of the BA national carnival).

JUNIORS

- All competitors must be U/18 on the day of competition.

b ADDITIONAL SELECTION GUIDELINES

- **The Juniors competition** will be open gender and will be played as a 10 player per side with a minimum of 2 players from either gender. *Note this is **minimum** 2 females/males and regions are encouraged to pick additional players based on performance regardless of gender.* Regions unable to meet this guideline must seek dispensation from the Bowls Tasmania CEO before each SWC round.
- State Open and Senior Selectors will select State teams from State squads chosen in November each year. Selectors may add or remove players from the squad from any registered Bowls Tasmania member.
- State Open and Senior teams must be selected, and names advised to Regional Authorities at least two weeks before each round of SWC.
- State squad members not selected to play in State teams are eligible to be selected in Regional Authority teams. As it is the respective regions state selectors who choose state squad members, it is an expectation that these members are selected in regional sides. Just cause must be shown and sent to the Bowls Tasmania CEO prior to the day of competition if any state squad member is omitted from regional representation.

4 STRUCTURE

OPEN

- Format will be 3 rinks of 4 players.
- Each region will provide a side of twelve based on the guidelines in Section 3.
- Each region can swap players across rinks for the second game of each round of Statewide Challenge.

SENIORS

- Format will be 3 rinks of 4 players.
- Each region will provide a side of twelve based on the guidelines in Section 3.

JUNIORS

The Junior event is being conducted to align to the conditions of play and structure of the national U/18 competition conducted by Bowls Australia each year.

- Each region will select ten (10) players who meet selection criteria in Section 3.
- Each combination of 10 will be played as 2 separate 5-a-side combinations (see Attachment 3, page 10 for roster). No player can move between sides from the morning to the afternoon games. A breach of this policy will result in forfeit of the afternoon game.
- Should a region be unable to field a full team, they can borrow a player from another region.
- Each player can compete in a maximum of two disciplines per day. The Singles and Fours events will be conducted concurrently, as will the Pairs and Triples.
- All matches will be played in traditional format as follows:
 - a. Singles: Four bowls, 21 shots up. More than 21 shots shall not count. (Note no individual can play more than one singles game throughout the three rounds.)
 - b. Pairs: Three bowls per competitor, 18 ends.
 - c. Triples: Two bowls per competitor, 18 ends.
 - d. Fours: Two bowls per competitor, 15 ends.
- All matches will be played under the “re-spot on the T” conditions if an end is declared dead.
- All matches will have a two hour fifteen-minute time limit.

5 TIMES

The following time schedule is developed to allow enough time for play and travel for competing regions:

- 9:45am** Trial ends to commence.
- 10:00am** First game to commence.

6 PRIZEMONEY

- Winner \$2,000
- Second \$2,000
- Third \$2,000

7 COSTS

Each Regional Authority will be responsible for costs of:

- Travel.
- Accommodation.
- Uniforms.
- Meals.

Bowls Tasmania will be responsible for costs of the State teams.

8 SCORING AND DETERMINATION OF WINNERS

OPEN

Points will be allocated as follows for all Open events:

- 6 Points for winner of overall shots up over the 3 rinks played.
- 2 points for each rink won (1 point for a drawn rink).

The Bowls Tasmania Open State side will compete for the same points as above but will be ineligible to be the winning Open region.

SENIORS

Points will be allocated as follows for all Senior events:

- 6 Points for winner of overall shots up over the 3 rinks played.
- 2 points for each rink won (1 point for a drawn rink).

The Bowls Tasmania Senior State Side will compete for the same points as above but will be ineligible to be the winning Senior region.

JUNIORS

As the Juniors will not play a completed match each round, total points will be awarded for rink wins:

- Winners of each individual game will receive three points. In the event of a tie each receives 1 point.
- The region with the highest number of points at the conclusion of the three rounds will be declared the winner.
- If points are equal, then the highest net total shots (total shots for minus the total shots against) will be ranked higher.
- If points and the highest net total shots are equal, then the total shots for will be divided by the total shots against. The side with the highest percentage will be ranked higher.

OVERALL

The ladder that will determine the overall Statewide Challenge winner, will be on accumulation of points from all five events being played. State teams will be ineligible to be the overall Statewide Challenge winner.

9 INCLEMENT WEATHER

- The Event Supervisor reserves the right to alter the format, times of play and greens (including changing surface from grass to synthetic including indoor surfaces) to suit unforeseen circumstances, giving as much notice as practical.
- Any such games transferred will recommence from the last completed end prior to the transfer, and the progressive score for each team shall be as at the completion of the last end played on the original surface. Law 29.3.1 will apply and players must continue play with their original set of bowls unless the game has been moved between a vegetation surface and a synthetic or indoor surface.
- Where a program is interrupted or cannot be completed due to inclement weather or local conditions, the Event Supervisor may amend the format and length of games to achieve a result (minimum 10 ends must be played for a rink to be declared a match) or abandon the event where an outcome cannot be achieved, and points will be shared.

A substitute shall be utilised in the following manner:

- The coach shall call upon an eligible, affiliated player from her/his Regional Authority to substitute.
- The substitute player shall not be permitted to play in the position of skip.
